

# The `ghab` package

Persian TeX Group  
`persian-tex@tug.org`

April 4, 2013

Provides `\darghab` command for typesetting `ghab` boxes which has the following syntax:

```
\darghab [<width>] {<text>}
```

The optional `<width>` determines the width of the box and if you do not give this optional argument, then the width of the box will be equal to `\linewidth`

```
1 \darghab[10cm]{%  
2 Lorem Ipsum is simply dummy text of the printing and typesetting  
   industry. Lorem Ipsum has been the industry's standard dummy text ever  
   since the 1500s, when an unknown printer took a galley of type and  
   scrambled it to make a type specimen book. It has survived not only  
   five centuries, but also the leap into electronic typesetting,  
   remaining essentially unchanged. It was popularised in the 1960s with  
   the release of Letraset sheets containing Lorem Ipsum passages, and  
   more recently with desktop publishing software like Aldus PageMaker  
   including versions of Lorem Ipsum.
